## Nextlink receives prestigious order from BAE Systems in the UK

- Nextlink receives an order for its INVISIO Pro headsets and PTT's (Push To Talk) from BAE Systems UK. The headsets and PTT's will be used for 2-way radio communication onboard submarines.
- Order value approximately SEK 2,1 Million
- The products will be delivered during the first quarter of 2008

*"BAE Systems is one of the largest global defence companies in the world. We are very proud that they have chosen our INVISIO headsets and PTT's for their needs" says Lars Højgård Hansen, CEO at Nextlink. "It once again illustrates the superior performance of our tactical headsets in very demanding sound environments and we see this as an important first order that can develop into a strong relationship with BAE Systems" says Højgård Hansen*
